THE GIVING WALL

CAMP CHANGES LIVES!

Generous people transform the world. Each year, we take hundreds of students to camp, many of whom are unable to afford it. Camp changes lives and you can help give students the opportunity to begin following Jesus at camp. Please visit "The Giving Wall" in the lobby today to participate.

Here are a few ways you can pray:
healing for women who have experienced abortion,
to end abortion in our country,
for children in foster care,
for families who have chosen life, and
for staff and volunteers of pro-life clinics.

The balloons are biodegradable and environmentally friendly.
